## Thank you!

Dear <<First Name>>,

This has been an incredible year for Food Shift and I am feeling full of gratitude for all the love and support from the community that has helped us get to where we are today. Thanks to your support, we won free [advertising on BART](#) and scored the [Community Green Grant](#). We now have about 1,500 people a week visiting our website to learn about the [problem of wasted food](#) and [how to reduce it](#). We've kept over 20,000 pounds of food from the landfill and fed 65 families in our [OUSD program](#). And we just launched a [petition to the EPA](#) to encourage the adoption of a national food waste reduction campaign.

Next year we want to do even more! Please help support our work by [donating today](#).

Warmly,

Dana Frasz

Who's the surplus food heroes of the grocery world? The East Bay Express digs deep to see which retailers are donating or selling still-edible food that's past its prime and which are just tossing it away.
