## Something to Chew On

Dear <<First Name>>,

Last month Food Shift launched a food recovery program with Oakland Unified School District. In just a few weeks we rescued nearly 3,000 pounds of milk, fruit and other food items from Brookfield Elementary and redistributed to 51 parents of students from the school. Our program is reducing waste and sending families home with a little extra nutritional support. We look forward to expanding the program to additional schools next year.

Thank you for your continued support.
