Thank you!

Dear <<First Name>>,

From all of us at Food Shift we'd like to extend our sincere thanks and gratitude to you for helping us win the [BART Blue Sky](#) contest last month. It was inspiring to see volunteers, friends, family and allies rallying together to secure more than 300 votes in the final few hours of the campaign. We are currently developing two advertisements to inspire food waste reduction that will be displayed throughout BART trains and stations in the fall and we couldn't have done it without you. Thank you!

We are also excited to announce that Food Shift was selected as the Environment Grant Round recipient by the [Silicon Valley Social Venture Fund \(SV2\)](#). The grant comes with three years of financial support, mentorship, and strategic leadership training. We have loved working with the SV2 team thus far and we are grateful for the opportunity to work together to increase our capacity, expand and develop our programs, and ultimately feed more people by saving more food.

Stay tuned for more updates next month and thank you for believing in our work.

Sincerely,

Dana Frasz

Founder and Director, Food Shift
