Food Shift

Because we are thankful for you!

Dear <<First Name>>,

With your help Food Shift was the winner of the \$5,000 Community Green Grant from the SF Green Festival! We broke the record of votes received by an organization and were given praise for the strength of our network and social media outreach. It's clear that we are building momentum for this important movement and we thank you for your support and votes!

On Saturday, in collaboration with the [Urban Farmers](#), Food Shift volunteers helped harvest 50,000 pounds of persimmons from an orchard in Vacaville. The persimmons were donated to local food banks and Food Shift has an additional 330 lbs to sell for [\\$1 per pound](#) to raise money for our programs. Please spread the

word!

Five million tons of food will be wasted between Thanksgiving and the end of 2013. But there's many things you can do to help [reduce your waste](#) this holiday season!

If you are looking to volunteer in San Francisco on Thanksgiving, contact Meals on Wheels to participate in their [food delivery](#) service to the elderly. If you are a local business or community group you can set up a food donation drive for the [Mary Ann Wright Foundation](#) in Oakland. Setting up donation drive is simple and they'll provide the bins and help with marketing. [Contact us](#) for more information.

Thank you for your support!
